4. ELIGIBILITY AND ENTRY

The Regatta will have the following classes, which may be subdivided into divisions

4.1. IRC Racing Classes - Monohull keelboats, including Sportsboats, with a current valid IRC 2019 certificate.

- 4.1.1. Subject to sufficient entries, the Race Committee may divide IRC classes based on design and performance. Class divisions will be 17.00 on 17th July prior to the Skippers Briefing. Draft class splits may be posted on the official website approximately one week earlier in order to allow comment from competitors.

4.2. **Cruising Monohull Class.** Keelboats, participating with the owner on-board, or production charter boats available for bareboat charterers, which are acceptable to the Race Committee. This class is designed both for cruisers and charter boats preferring a less competitive fleet and potentially shorter courses than normally provided for the IRC racing classes.

4.3. **Multihulls. Trimarans and Catamarans** of a size and condition acceptable to the Race Committee

- 4.3.1. Subject to the number of entries, the Race Committee may split the Multihull Class into the following divisions:

Racing Multihulls

Cruising Multihulls.

Boats racing in the **Cruising** Multihull division shall be **Cruising Multihulls**, who do not race on a regular basis or do not hold a current OMR v8 Rating.

Boats shall be allocated a base handicap by the race committee based on the principals of the OMR Rating System. A boat's rating may be adjusted during racing (using NHC Regatta Performance System after each race, based on her performance in that race, her base rating and the series to date).

4.4. **Firefly 850 Sports One Design class.**

4.5. **One-Design Class Racing**

One-design classes with paid entries of 5 or more boats, may apply to the Race Committee for their own class or division status. Applications should be made to the Race Committee by the Class Association and must be submitted no later than 1st June 2019.

A minimum of 5 boats are required to constitute a class or division. Classes may be amalgamated or divided at the discretion of the Race Committee.

4.6. The Race Committee reserves the right to adjust the eligibility criteria and / or allocation of boats in the interests of fair competition. The determination of eligibility criteria and the allocation of boats to particular classes or divisions shall not be grounds for protest or redress. (This changes rules 60.1(b) and 62.1).

The Race Committee recognizes that there may be boats that, by virtue of design, may qualify under these criteria in the racing class, but consider themselves to be cruising orientated either by accommodations, rig, sails or other reasons. The Committee will consider written applications for

inclusion of such yachts in another class giving details of the yacht and the reasons for consideration, if received no later than 1st July 2019.

A valid IRC or OMR rating certificate, sail plan, accommodation layout including details of installed equipment, keel details and crew list MUST accompany the application. Applications based on crew criteria alone will not be entertained. The Race Committee's decision shall be final and not subject to appeal.

18. RISK STATEMENT

Competitors participate in the regatta entirely at their own risk. See rule 4, Decision to Race. The organising authority will not accept any liability for material damage or personal injury or death sustained in conjunction with or prior to, during, or after the regatta.

Rule 4 of the RRS states: "The responsibility for a boat's decision to participate in a race or to continue racing is hers alone."

Sailing is by its nature an unpredictable sport and therefore inherently involves an element of risk. By taking part in the event, each competitor agrees and acknowledges that:

They are aware of the inherent element of risk involved in the sport and accept responsibility for the exposure of themselves, their crew and their boat to such inherent risk whilst taking part in the event;

They are responsible for the safety of themselves, their crew, their boat and their other property whether afloat or ashore;

They accept responsibility for any injury, damage or loss to the extent caused by their own actions or omissions;

Their boat is in good order, equipped to sail in the event and they are fit to participate;

The provision of a race management team, patrol boats and other officials and volunteers does not relieve them of their own responsibilities;

The provision of patrol boat cover is limited to such assistance, particularly in extreme weather conditions, as can be practically provided in the circumstances.

It is their responsibility to familiarise themselves with any risks specific to this venue or this event drawn to their attention in any rules and information produced for the venue or event and to attend any safety briefing held for the event;

Inspections: The fact that race officials may conduct inspections of a boat does not reduce the responsibilities of each competitor set out in this Notice of Race.
